April 8, 2026

Mr. Fahad Al Mousa, *President & CEO*
KINETIC ENERGY COMPANY LTD - KEKSA.
Support Services Company – SSC
Kingdom of Saudi Arabia

SAPMT hereby expresses its sincere appreciation to KEKSA for the commendable performance and dedicated efforts demonstrated during the execution of BI-24-26005, Ras Tanura Restoration Project at Ras Tanura Refinery.

Throughout the duration of the project, your team exhibited a high standard of professionalism, technical competence, and commitment to excellence. The work was executed in full compliance with Saudi Aramco requirements, with particular emphasis on quality, safety, and schedule adherence.

Your team showed tremendous flexibility during technical discussions and willingness to work beyond normal schedules to meet the emergency restoration demands.

SAPMT values the collaboration and partnership established with your organization and looks forward to continued cooperation on future projects.
